Welcome ! From Kevin Knibbs . . .

Chairman of the Independent Schools Football Association

“Everybody at ISFA is delighted to be here at StadiumMK for the 2025 Boodles ISFA Cup Final. We owe MK Dons FC, their directors and staff a big debt of gratitude for acting as hosts for this match once again; they always ensure it is a special occasion for everybody involved.

We also thank Boodles, our longstanding sponsors, for their continued outstanding support for this competition. They have been with us since the tournament’s inauguration back in 1992 and have played a huge part in its success over the years. It is a pleasure to welcome back Michael Wainwright, who has done so much for ISFA and this competition over the years.

Our Guest of Honour tonight is Richard McDermott, Company Secretary of The Football Association. Richard is an important behind the scenes cog at The FA and we are delighted that he has taken the time to attend today’s game.

There is a long tradition of top officials taking charge of the Boodles Final and many of this country’s top officials over the years have taken charge of this fixture. Tonight we welcome Darren England, a regular Premier League

official and a longstanding friend of ISFA. We are grateful to him and his team for travelling down from Yorkshire to take charge.

Shrewsbury and Bradfield are two of our most prominent and longstanding football playing independent schools, both boasting proud histories in the game. Both have been playing football since the 1800s and they boast 5 Boodles ISFA Cup wins between them. Bradfield are of course the reigning champions, whereas Shrewsbury will be hoping to win back the Cup after 15 years.

I wish you all a very enjoyable evening and let’s hope for an exciting game.”

BOODLES

Boodles has been the proud sponsor of the ISFA Cup for over 30 years, and I am sure this year's final will live up to the many I have watched in previous years. It is a very special tournament, and congratulations to all of the finalists on having made it this far.

As the 6th generation of my family to own and manage Boodles, building a legacy is very important to us, and we are delighted that ISFA has been a big part of our journey so far. I would like to warmly invite you into one of our showrooms for a glass of something and to try on some of our lovely jewellery. You can find the locations of our showrooms below.

Enjoy the game,

Michael Wainwright
